SPECIAL ABILITIES

Here Kitty Kitty: This model may spend 1 ACT to target a model within 12" and in LOS. Roll a D10, on a 6+ move the target model its SPD toward this model.

Beauty 6: Any model targeting this model must roll a D10. The model succeeds on a roll of 6+, and the Attack may continue as normal. If the model fails the roll, the ACT is still used, but the Attack does not continue. The model may try to target again.

WEAPONZ

Poison Kunai: This weapon causes 2 Damage.

TALENTZ

Tentacle Grape Shot (7): Place 3 Tentacle tokens within 10" of this model using the rules for Grenades. Tentacle tokens use the below Stats and can Activate during this models turn, or as soon as a target gets within RNG, making 1 Attack against each target model within RNG. Once they have Activated and completed any Attacks, they are removed.
